The Honorable Duncan Hunter
House of Representatives
Washington, D.C. 20515

Dear Mr. Hunter:

I am responding to your kind letter of 25 March inviting me to Air/Space America 88, an international space and electronics trade exposition. I would very much welcome the opportunity to see some of the sophisticated new weapons, aerospace tracking and navigation computers you mention.

Since assuming my position as Director of the Central Intelligence Agency, my demanding schedule has not allowed me the time to attend all the worthwhile gatherings to which I am invited. Unfortunately, I am already committed for the 13th of May and will be unable to attend the opening ceremonies of Air/Space America 88. I do, however, wish you all success with this endeavor, and I thank you for the invitation.

Sincerely yours,

/s/ William H. Webster

William H. Webster
Director of Central Intelligence
